{payment}

Check one box, please:

- I paid online through paypal on (date): \_\_\_\_\_
- I have included a check for \$1,245 (includes shipping) made out to Tender Threads.

{a signature is required}

Please check all of the boxes below and sign your name at the bottom. Your quilt will not be started unless all the boxes are checked and you have provided a signature.

- I understand that the clothes I am sending will be cut up.
- Yes, all of my garments have been washed and are clean, including dress-shirts that may carry harsh dry-cleaning chemicals. Any stains are a result of years of love and use and will not come out.
- I understand that this quilt is created with an artistic eye and the interpretation of the designer. Therefore, unless I am specific about each detail that must be included, I know that there may be some items or parts of items that will be left out. In addition, I understand that some articles of clothing may be too small or too difficult to include.
- I have read and understand the care instructions for my quilt (go to the "quilt care" section under "creating your quilt" on the website). I understand that there may be up to 3% shrinkage of the inside batting when washed in warm water and put in the dryer. This shrinkage is natural and will contribute to the vintage feel of my quilt.
